Thank you for supporting our ETIWANDA COLONY CUBS!!!
2019-2020 Elementary Physical Education

Dear Parents/Guardians,

My name is Mr. Kleist, and I am excited to be returning to Etiwanda’s Elementary Physical Education Program at Etiwanda Colony Elementary for the 2019-2020 school year. I have been a teacher with our school district since 2003 and am embarking on my third year as an elementary PE teacher.

The primary focus of our program will be the implementation of the 5 Key California State PE Standards. This will be done in a fun, positive, and safe environment. The ultimate goal is for every student to improve and maintain their own personal level of physical fitness and establish lifelong, healthy fitness habits.

Physical Education class for all students in grades 1-5 will take place...

**WEDNESDAYS & FRIDAYS**

Our first day of PE will be this WEDNESDAY, AUGUST 7. Please remind your child to bring...

<table>
<thead>
<tr>
<th>Critical Items</th>
<th>Optional Items</th>
</tr>
</thead>
<tbody>
<tr>
<td>Exercise-Appropriate Footwear</td>
<td>sunscreen (strongly advised)</td>
</tr>
<tr>
<td>Suitable clothing</td>
<td>hat</td>
</tr>
<tr>
<td>Labeled water bottle</td>
<td>sunglasses</td>
</tr>
</tbody>
</table>

Physical activity must be done regularly to achieve health benefits. Therefore, your child’s participation is very important. If your child happens to be **sick** or unable to participate in all activities, **please send a note** prior to PE class.

Experts recommend children receive at least 60 minutes of physical activity each and every day. Please help your child meet these recommendations by helping them to seek additional opportunities to be active outside of school.

I am looking forward to a year full of fitness, functional movement, fun activities, and great memories.

Sincerely,

Mr. Kleist
Elementary PE Teacher
